

Better care begins here.

Beginning 07/01/2024, eligible members and their dependents get access to the highest-quality healthcare experience possible for less.*

Whether you need cancer care or a range of surgical procedures, Carrum Health works with the top cancer specialists and surgeons in the country—those who have better outcomes and an outstanding bedside manner. And when you receive care through Carrum Health, most, if not all, costs are covered.*

Covered procedures include knee, hip, shoulder, spine, heart, and weight loss surgeries, cancer care, and more.

Those eligible for the Carrum Health benefit include PEBP members, their dependents (18+), and retirees enrolled in a PEBP medical plan.

Better care

The surgeons and cancer specialists in our program achieve better outcomes and have exceptional bedside manner.

Substantial savings

When you receive care through Carrum, your company often covers most, if not all, of the medical costs.*

Total support

Our team helps with all the planning and paperwork, so you can focus on your health.
